Calculate the number of fasts you have missed since you attained *bulūgh* (puberty), including the fasts of kaffārah. Record the total number above. As you make up fasts, tick them off in the chart provided above.

Keep this sheet with your Letter of Last Instructions so that your Executor of Estate is aware of how many fasts, if any, are left at the time of death. Death can come knocking at your door any time. Start making up any fasts you have missed immediately!
