Calculate the number of prayers you have missed since you attained *bulūgh* (puberty). Record the number of missed prayers for each salah in the chart above. As you make up the prayers, tick them off in the charts provided on the right.

Keep this sheet with your Letter of Last Instructions so that your Executor of Estate is aware of how many prayers, if any, are left at the time of death.

Death can come knocking at your door at any time. Start making up any prayers you have missed immediately.
